Important notice to parents, guardians and students: Carefully select your courses. Complete and sign this form and submit it to your Social Studies teacher. All courses are academically challenging. However, honors, Advanced Placement® (AP), and gifted courses move at an accelerated pace. Students must plan for ample study time in order to fulfill the academic requirements. All students will be expected to remain in the courses they have selected for the entire school year. A parent/teacher/counselor conference will be required before July 3, 2017 in order to consider a schedule change.

No schedule changes will be considered once the 2017-2018 school year begins.
