## Advanced Academics Contract 2019-2020

### **Vision Statement**

Robert Morgan Educational Center believes that all academically prepared students should have the opportunity to enroll in Advanced Placement & Dual Enrollment (DE) courses. Students are encouraged to work to the highest level of their potential within a supportive environment.

### **Advanced Academics Contract**

An Advanced Academics contract must be signed prior to being scheduled into an Advanced Academics course. The contract is designed to inform students and parents of the specific requirements and expectations of the program and must be submitted with the subject selection sheet by the required deadline.

### **What is Advanced Academics?**

Advanced Academics includes Advanced Placement (AP) and Dual Enrollment (DR). Both AP and DE offer students an opportunity to get a jump start on their university requirements while completing their high school education. Advanced Placement & Dual Enrollment courses can help students acquire the skills and habits they will need to be successful both in and out of RMEC. Students will sharpen their writing skills, enhance their problem-solving abilities, and continue to develop their time management skills, discipline, and study habits. Both Advanced Placement & Dual Enrollment use university textbooks, lecture styles and assessments.

### **Selection Criteria for Advanced Academics**

Eligibility for enrollment in **AP courses** is determined using the following criteria:

- Current teacher recommendation based on current academic performance.
- Completion of prerequisite course with satisfactory final grades.
- Above average reading comprehension and time management skills.
- Data provided by AP Potential.
- Attendance record – students with excessive (above 10) absences will not be considered.

Eligibility for enrollment in the **DE program** is determined using the following criteria:

- 11<sup>th</sup> or 12<sup>th</sup> grade student.
- Have a 3.0 un-weighted high school grade point average.
- Passing score on the FSA ELA.
- Dual enrollment students need a score on a common placement test adopted by the State Board of Education which indicates the student is ready for college-level coursework.
- College ready cut off scores can be viewed at:
  - <http://www.fldoe.org/schools/higher-ed/fl-college-system/common-placement-testing.stml>
- Satisfy any course prerequisites.
- Meet any additional admissions criteria set by FIU.

To continue in the Dual Enrollment program, students need to maintain a 3.0 unweighted high school GPA and earn a 3.0 or better in their college-level work, as confirmed by the high school guidance counselor and the FIU's Registrar's Office. Dual enrollment courses become a part of a student's permanent **UNIVERSITY** transcript.

### **Students:**

Students who choose an Advanced Academics course must be ***highly motivated***, willing to do outside reading, research and writing, and able to undertake supplemental work on their own initiative. **Some courses also require summer assignments and may include additional cost.**

**AP World History:** Students must attend Freshman Orientation and contact the instructor via email by May 28<sup>th</sup> at [rladmire@dadeschools.net](mailto:rladmire@dadeschools.net) for their summer assignment.

**Advanced Placement (AP) Exams**

Since the culminating assessment for an AP course is the Advanced Placement Examination, all students are expected to sit for the examination in May. **Students who do not take the AP exam will be subject to a financial obligation covering the cost of the exam (\$94) plus a return fee (\$40).**

*I have read the AP Contract and understand the commitment that is being made to the Advanced Academics program. I understand that by requesting the above courses I am making a commitment to undertake a rigorous academic schedule. I understand that there are summer reading and writing assignments and additional costs to these courses. Students in need of an Intensive Reading or Intensive Math course will most likely be **unable** to enroll in an AP course as their schedule will not permit it.*

**The signing and submission of this contract does not constitute placement into the Advanced Academics program at Robert Morgan Educational Center.**

**Students Requesting Three or More Advanced Academics Courses:**

Students requesting three or more Advanced Academics courses in one academic year must have a conference with their counselor, the AP Coordinator and a parent/guardian. *These conferences will take place in late May.*

**Parent/Guardian Scheduling Request**

If a student is not recommended into an Advanced Academics course and the student and/or parent would like the student enrolled, the parent may make a formal request in writing to the student services department chairperson – Ms. Anderson by Friday April 26<sup>th</sup>, 2019. Once the request is received there will be a conference held that will include the parent/guardian, the student, the counselor, the administrator in charge of curriculum and the Advanced Academics instructor. *These conferences will take place in late May.*
