- AP 3-D Art and Design is an introductory college-level three-dimensional design course. Students refine and apply skills and ideas they develop throughout the course to produce three-dimensional art and design.

Skill	Description
1. Inquiry and Investigation	Investigate materials, processes, and ideas.
2. Making Through Practice, Experimentation, and Revision	Make works of art and design by practicing, experimenting, and revising.
3. Communication and Reflection	Communicate ideas about art and design.

A grayscale illustration of a hand holding a pencil, rendered in a sketchy, artistic style. The hand is positioned as if about to draw, with the pencil held between the thumb and index finger. The background is solid black. Overlaid on the hand is the text "AP Drawing" in a white, elegant, cursive script. Below the text is a thin, white, wavy horizontal line.

AP Drawing

AP Drawing

- Grade level: 11th or 12th grade
- AP Drawing is an introductory college-level drawing course. Students refine and apply skills and ideas they develop throughout the course to produce drawings.

Skill	Description
1. Inquiry and Investigation	Investigate materials, processes, and ideas.
2. Making Through Practice, Experimentation, and Revision	Make works of art and design by practicing, experimenting, and revising.
3. Communication and Reflection	Communicate ideas about art and design.

AP
Music
Theory

AP Music Theory

- Prerequisites: Honors Music Theory
- AP Music Theory is an introductory college-level music theory course. Students cultivate their understanding of music theory through analyzing performed and notated music as they explore concepts like pitch, rhythm, form, and musical design.
-
