

All students enrolled in **AP Calculus AB for the 2025-2026** school year are highly encouraged to complete the assignments in Delta Math by the recommended due date(s). These Delta Math assignments align to most topics in precalculus that will be necessary in Calculus. The purpose of the summer assignment is to get you prepared with some foundational skills to be successful in this college-level course.

\*The summer assignment will be graded and there will be no extensions.

\* A quiz or test covering these topics will be administered the week of August 18, 2025.

- Check Schoology **Group – AP CALC AB** for agenda and updates.
- Join Delta Math using this link: [AP Calc AB Summer Assignment](#).
- Create a Delta Math account using your M-DCPS email.
